

Our goal at World Fit® is to curb the alarming increase in childhood obesity rates and improve overall health & attitudes towards fitness among children and young adults. Community Leaders play a critical role in the World Fit Walk Program and our success depends upon them.

Please take a moment to fill out this card and check one of following:

- Yes, I am interested in becoming a World Fit Community Leader.**
- I am not interested in participating this year.**
- Please add me to your mailing list.**
- I know someone who would be a great candidate for Community Leader.**
